

Alpaca Research Foundation (ARF) Pre-proposal Application

Submission

Pre-proposals are due November 1. Successful applicants will be notified in January and invited to submit a full proposal. The deadline for full proposals is April 1. The earliest funding date is September 1.

Please submit pre-proposals electronically to Patricia Craven at pacraven1@gmail.com.

One signed hard copy should also be sent to:

Alan Rosenbloom, MD
Black Tulip Farms
824 Poplar Trail
Siler City, NC 27344-1043

Pre-proposal Format

- 1) **Cover Page:** See next page.
- 2) **Hypothesis**
- 3) **Objectives**
- 4) **Preliminary Data:** Summarize any work that you have performed that supports the feasibility of the proposed work.
- 5) **Significance:** Briefly describe the importance of the proposed study, relevance of the study to ARF's interests, and how your approach will provide new information on the problem.
- 6) **Experimental Design and Interpretation:** Explain what results are expected and how they will be interpreted with respect to the study objectives. For clinical studies, document availability of sufficient case material. Multi-centered investigations may be necessary to provide sufficient case material.
- 7) **Materials and Methods:** Briefly describe the methods that will be used and provide relevant references to the literature.
- 8) **Statistical Analysis:** Explain how you determined the number of animals required for each group and how the data will be analyzed.
- 9) **Resources Available:** Describe equipment and space which are available to support the proposed project.
- 10) **Literature Cited**
- 11) **Budget:** A detailed budget should be included. Justify all expenses.

Length of Pre-proposal

The main body of the proposal, parts 2–9, cannot exceed two (2) single spaced typed 8.5 x 11 inch pages, having one (1) inch margins and using a 10–12 point font. Number all pages sequentially starting with the cover page. One (1) additional page can be used for literature citations.
